PURPOSE: Who to call for help in an emergency.

SONG: "Seek the Lord Early," CS 108

LESSON: What would you do and who would you call for help in the following situations:

- #1 - Your mother accidentally hits her head on the cupboard door and faints. You are the only one home with her
- #2 - During school recess you are playing tag with a friend. Your friend falls down on some glass and cuts her leg.
- #3 - While riding bikes with neighborhood friends, you see fire coming from the roof of your house.
- #4 - You are at the park swinging. A dog runs toward you with the intention of biting you. Your family is unable to reach you before the dog.
- #5 - You and your brother are the first ones home from school. No one else is home. When you get inside your house, You hear someone breaking in through the kitchen window.

Prepare the pictures on the following pages ahead of time. Show the pictures as you discuss the different people you can call for help in an emergency. Besides a relative who may live in town, you can call: the police, fire department, Cub Scout leader, school teacher, Primary teacher, neighbor, nearby adult in the case of the dog in the park, family friend, home teacher, visiting teacher. Can you think of anyone else?

READ D&C 88:83. Why is it important that we pray every day? That we learn how to pray while we are young? That we recognize answers to our prayers? That we learn to rely on Heavenly Father at all times and not just in emergencies?

If prayer is a daily part of our lives, then we will have the confidence Heavenly Father will hear us and help us in an emergency.
