

**Our Nursery was great and we had a fun day.  
We had a lesson and stories. We got to sing and to play.  
To keep Nursery running smooth until the very last,**

**Find your little one's card then  
slide it under the door, fast.  
We'll get your child ready, we  
know just what to do,  
And we'll bring you your little  
angel while keeping the others  
happy, too."**
