

**Welcome to our Nursery!  
We are having fun you see.  
We are learning about Heavenly Father  
And preparing to go into Primary.  
When you drop us off  
We will be just fine.**

**We have our friends and leaders  
To play with at this time.  
So please don't come and get us  
When we are sad,  
A leader will come get you  
If we get too bad.  
Enjoy your classes and don't worry,  
We will be just fine.  
By leaving us in Nursery,  
We will learn and grow with time**
